About the teacher:

Name: Valentina M.

Short Bio: Born and raised in Rome, I started being passionate about teaching English when I realized that “Lady Bee” was actually “Let it be”: I felt I had to spread the news! After studying languages at high school, I continued along the same path adding a pinch of literature at Uni. But still, I was not completely satisfied. So, I decided to go on studying (hello, bookworm!) and I got a postgraduate degree in Translation Techniques.

I started teaching in 2011, joining British Institutes a few years later. I’m used to dealing with a large variety of students, from teens to adults, from school pupils to workers. I like letting them express their personality, but remember: you can’t escape grammar!

Motto: A spoonful of sugar helps the medicine go down
