***FOXTRAIL: The first urban, interactive and permanent adventure in Rome***

**EVERY DAY FROM 9AM TO SUNSET**

Foxtrail is a new way to discover Rome by playing!

Foxtrail is a mix between an Escape Game and a treasure hunt to be done in small autonomous groups (each team from 2 to 6 people, possibility for multiple teams) to discover the hidden corners of the city!

Today there are more than 60 trails across Europe including Rome, London, Paris, Berlin, Zurich, Helsinki, Nuremberg and soon Dubai !

On our website <http://www.foxtrail.it> choose date and time of your experience and you will immediately receive by email all the information to go to the starting points of our trails and check-in instructions.

You will receive an "adventure manual" (not on your mobile phone or app but something tangible...) that will guide you step by step to interact with our permanent installations and using technology and creativity you will receive the clues you need to reach the next stage.
