On Tuesday December 7th at 7.30pm, the Vitala Festival - philanthropic events in support of Music and Art – will proudly present a new event of this “restart”, inaugurating the festive season. A journey on a “musical sleigh” through well-known and beloved holiday classics of all time. The evening will comprise a medley of traditional and popular festive songs and carols, from *Let it snow* to *Walking in a Winter Wonderland* and *Have Yourself a Merry Little Christmas*, to *Good King Wenceslas* and *God rest ye merry gentlemen*. The concert will also feature more intimate songs such as Elvis' *Blue Christmas* and lively ballads, such as the eccentric, famous hit by the Pogues, as well as more mainstream pop songs, ranging from Wham to Mariah Carey. Finally, the show will be topped off with the suggestive “whispered mysteries” of traditional festive classics from Germany and Italy. A concert and evening presented by an accomplished band of talented performers who have carefully arranged a selection of delightful songs, in a unique and skillful way, to carry the holiday mood and celebrations into full swing. Not to be missed!

Join us to support these lovely performers and the restart of theatres!
